
Winter Sand Policy

WINTER SAND POLICY

Residents are permitted to get a maximum of two 5-gallon pails per storm. Contractors cannot have sand. No one is permitted to get salt. Residents may pick up only their own sand. The Road Agent and/or police will supervise this after hours. Abuse of this policy will cancel the privilege of receiving sand.

Per Order Sutton Board of Selectmen:

William I. Curless, Chair

Philip E. Buteau, Selectman

Thomas A. Brooks, Selectman
