

**STORAGE CONTAINER:** An enclosed container, usually of metal construction, with or without wheels or rollers, designed for the transportation and/or secure storage of material or property of any kind. Storage containers include semi-trailers intended to be pulled by a tractor, containers moved by container truck, containers moved by flatbed, and roll-off containers. Dumpsters used for the temporary storage of trash and construction debris are not included in the definition of Storage Container. Storage Containers used as structural components of Primary Structures and/or Accessory Structures that meet all applicable State and local building code requirements shall also not be included in the definition of Storage Container. 3/25

Language for the 2025 Town Warrant

Article \_\_, Amendment Number 3

To see if the town will vote to amend Article XV, Definitions, of the Sutton Zoning and Building Ordinance to add a new definition for a Storage Container. The full text of the proposed amendment is posted for review at the Sutton Town Hall, and on the Sutton Web Page.
